R992

The Equip 245120 Ergonomic Dual Mode Wireless Mouse (Rechargeable) is designed to deliver superior comfort, precision, and flexibility for modern professionals. Featuring dual connectivity options—Bluetooth and 2.4GHz wireless—it allows effortless switching between two devices, such as a laptop and desktop PC, with a single click. Ideal for multitasking, it provides smooth, stable performance across platforms without cable clutter.

Its ergonomic, contoured design supports the natural curve of your hand, reducing wrist strain and ensuring all-day comfort, even during extended use. The textured side grips offer a secure hold, while the silent-click buttons minimize noise, making it perfect for quiet office or home environments.
