

Seagate Desktop HDD 160GB HDD internal hard drive 7200 RPM 8 MB 3.5" Ultra- ATA/100

Model: ST3160023A

Manufacturer: SEAGATE

Product Code: 8648

R434 R827

Superior performance and high capacity make the Barracuda ATA products a perfect solution for users looking for speedy ATA disc drives that can boost the performance of their PCs and even perform jobs traditionally handled by SCSI technology. The drives offer an unprecedented combination of price and performance for applications supported by ATA RAID systems. Corporate workhorse PCs, high-performance PCs, and high-performance consumer gaming and video-editing systems all benefit from the quiet, performance-oriented specifications of Seagate's Barracuda ATA family. Barracuda ATA drives continue to garner industry press accolades and rave reviews worldwide for their superior performance, ruggedness and value. All Barracuda ATA drives include Seagate's comprehensive 3D Defense System for the best data protection in the industry, and sound barrier technology for the quietest performance available.
