PRO MP341C Series

Be Your Window To the World

Work with the most immersive and professional style. PRO MP341C Series is your window to the world. No matter you are watching a lecture, copying data between spreadsheets; no matter you are programmers and coders, stock market pros, or YouTubers, just make your idea & imagination come true.

The PRO of Work & Life

Broaden your horizons with the ultra-wide 21:9 PRO MP341CQ Series and enjoy every detail of your movie.

The PRO of Work & Life

Use it as dual monitors and work with multiple windows at the same time or check your timeline and materials without adjusting or changing the using area.

100Hz High Refresh Rate

A high refresh rate display provides a better viewing experience. Also, the more images shown at the same time, the less burden will impose on your eyes.

Curved for Productivity & Comfort

Enjoy the most immersive viewing experience with its 1500R curvature for your work & amusement.

Increase Productivity and Efficiency

Focus on what you are doing with a comprehensive and natural viewing angle.

Comfortable for Eyes

A more uniform focal distance brings you a comfortable viewing experience.

Curved for Comfort & Ease

Ideal for working and amusement with less eye fatigue zone and ultimate viewing comfort.

TÜV Certified - Protect Your Eyes With Anti-Flicker Technology

Thanks to MSI Anti-Flicker technology, a stable output current for the monitor is provided. It will help against dry eyes, eyestrain, and lower the chance to need reading glasses in the future.

TÜV Certified - Protect Your Eyes With Less Blue Light Technology

The Less Blue Light Mode filters visual exposure to the blue spectrum light during daily use scenarios and bring the most comfortable viewing experience for users.

Larger Perceived Field of View

Experience a wider and immersive field of view without much ocular strain.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The Most Natural Viewing Experience

Enjoy a more natural viewing experience for you while focusing on your work & amusements.

Support Multiple Sources

Multiple input design (2x HDMI™ & 1x DP) allows you to work or learn with multiple devices efficiently.

Preset Multiple Display Modes

Featuring multiple display modes that are factory calibrated, you can enjoy every scene and detail to the fullest.

Ergonomic Software

The MSI exclusive software Display Kit provides the most convenient tool, the proper display that allows you to read and enjoy the image at the same time & color mode to you while working or everyday.

Built-in Speakers

With two built-in speakers, users were allowed to listen to audio files, to attend online conferences, or to edit videos at any time without carrying an external speaker or wearing a headphone.
