## **The PRO of Work & Life**

Broaden your horizons with the ultra-wide 21:9 PRO MP341CQ Series and enjoy every detail of your movie.

## **The PRO of Work & Life**

Use it as dual monitors and work with multiple windows at the same time or check your timeline and materials without adjusting or changing the using area.

## **100Hz High Refresh Rate**

A high refresh rate display provides a better viewing experience. Also, the more images shown at the same time, the less burden will impose on your eyes.

## **Curved for Productivity & Comfort**

Enjoy the most immersive viewing experience with its 1500R curvature for your work & amusement.

## **Increase Productivity and Efficiency**

Focus on what you are doing with a comprehensive and natural viewing angle.

## **Comfortable for Eyes**

A more uniform focal distance brings you a comfortable viewing experience.

## **Curved for Comfort & Ease**

Ideal for working and amusement with less eye fatigue zone and ultimate viewing comfort.

## **TÜV Certified - Protect Your Eyes With Anti-Flicker Technology**

Thanks to MSI Anti-Flicker technology, a stable output current for the monitor is provided. It will help against dry eyes, eyestrain, and lower the chance to need reading glasses in the future.

## **TÜV Certified - Protect Your Eyes With Less Blue Light Technology**

The Less Blue Light Mode filters visual exposure to the blue spectrum light during daily use scenarios and bring the most comfortable viewing experience for users.

## **Larger Perceived Field of View**

Experience a wider and immersive field of view without much ocular strain.

## **The Most Natural Viewing Experience**

Enjoy a more natural viewing experience for you while focusing on your work & amusements.

## **VESA Mountable Design**

Mount the Mini PC Cubi Series on the back or enjoy a clean cable management with the MSI VESA Arm MT81 which support the VESA standard to share any information or e-learning material with family at home or in the office.

## **Enjoy Your Life With Dual Display**

Enhance your efficiency & productivity when you pre-view your E-commerce content & data at home or in the office.

## **Support Multiple Sources**

Multiple input design (2x HDMI & 1x DP) allows you to work or learn with multiple devices efficiently.

## **Preset Multiple**

### **Display Modes**

Featuring multiple display modes that are factory calibrated, you can enjoy every scene and detail to the fullest.

## **Ergonomic Software**

The MSI exclusive software Display Kit provides the most convenient tool, the proper display that allows you to read and enjoy the image at the same time & color mode to you while working or everyday.

## **Built-in Speakers**

With two built-in speakers, users were allowed to listen to audio files, to attend online conferences,
