

PATRIOT Viper PVP30 External SSD 2TB Type A+C

Model: PVP302TB28UDG

Manufacturer: PATRIOT MEMORY

EAN: 4711378420050

Product Code: 873411

R11,674

The Patriot Viper PVP30 USB flash drive delivers performance with a storage capacity of 2 TB, suitable for storing large amounts of data. Built for reliability, this flash drive operates within a wide temperature range from 0°C to 70°C, ensuring functionality in various environments. With USB 3.2 Gen 1 / USB-C connectivity, users can enjoy read and write speeds of up to 1000 MB/s, allowing for quick data transfers and efficient file management. Designed with durability in mind, the aluminum housing offers protection against physical damage while the vibration-proof feature enhances its resilience. Whether for personal or professional use, the Patriot Viper PVP30 USB flash drive is a solution for data storage needs, combining performance, reliability, and portability.
