

PATRIOT Viper PVP30 External SSD 500GB Type A+C

Model: PVP30512G28UDG

Manufacturer: PATRIOT MEMORY

EAN: 4711378420036

Product Code: 873413

R3,350

The Patriot Viper PVP30 is a USB flash drive designed for speed and reliability in data storage. With a storage capacity of 512 GB, it offers ample space to store important files, images, and videos. The USB 3.2 Gen 1 and USB-C connectivity ensures high-speed data transfer rates of up to 1000 MB/s for both reading and writing, making file management efficient.

Built to endure, the aluminum housing provides durability while protecting the internal components. Additionally, the vibration-proof feature enhances the device's resilience to physical shocks.

Operating within a temperature range from 0°C to 70°C, the Patriot Viper PVP30 is compatible with a variety of devices for versatile use, whether at home, work, or on-the-go.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
