PATRIOT P410 500GB PCIe Gen 4 x4 M.2 SSD

Model: P410P500GM28H

Manufacturer: PATRIOT MEMORY

EAN: 4711378431049

Product Code: 873471

R3,019

The Patriot P410 is an internal solid-state drive designed for users who demand speed and reliability. With an internal data rate of 5000 MBps, this NVMe 1.4-compliant drive ensures faster data access and transfer, enhancing overall system responsiveness. The M.2 2280 form factor allows for easy installation in compatible devices, making it a choice for upgrading computers or gaming systems. Equipped with features such as thermal throttling, a thermal sensor, and a graphene heat shield, the Patriot P410 provides efficient heat management during intensive tasks. This drive also integrates SmartECC and Host Memory Buffer (HMB) technology to enhance data integrity and performance. With a wide operational temperature range from 0°C to 70°C, the P410 is built to perform in various environments, making it suitable for a diverse array of applications.
