TELTONIKA NETWORKS SWM282 Profinet L2+ Managed Switch 24x ETH POE Ports 4x SFP Ports

Model: SWM282000201

Manufacturer: TELTONIKA NETWORKS

EAN: 4779051846283

Product Code: 873481

R7,525

The Teltonika SWM282 is designed to meet the demands of modern networking environments, offering reliable performance and extensive features. With a robust capacity of 512 KB packet buffer and 16 MB of flash memory, it ensures efficient data handling and storage. Operating in a wide temperature range from 0°C to 50°C and a humidity range of 10 to 90%, this switch is built to perform in various conditions without compromising reliability. Equipped with 24 10/100/1000 Base-T (PoE+) ports and 4 Gigabit SFP ports, the SWM282 provides ample connectivity options for multiple devices. The support for Power over Ethernet (PoE) simplifies installation by minimizing the need for additional power supplies. This switch also supports advanced features such as VLAN, traffic shaping,
