SYNOLOGY DS1825+8-Bay NAS AMD Ryzen Embedded V1500B 8GB DDR4 ECC SODIMM

Model: DS1825+

Manufacturer: SYNOLOGY

EAN: 4711174726028

Product Code: 873514

R36,027

The Synology Disk Station DS1825+ serves as a network attached storage solution, designed for both personal and professional use. With support for up to 8 drives, it allows for extensive storage capacity, accommodating up to 360 TB. This device is equipped with a powerful Ryzen quad-core processor, ensuring efficient handling of multiple tasks while providing reliable data access and management. Operating temperatures range from 0°C to 40°C, and the system operates quietly with a sound emission of just 23.8 dBA, making it suitable for any environment.

Featuring advanced RAID support options including RAID 0, RAID 1, and RAID 5, the DS1825+ delivers data redundancy to safeguard valuable files. The connectivity options include multiple 2.5 Gigabit Ethernet ports and USB 3.2 Gen 1 ports for quick and easy data transfer. With hardware
