CISCO Secure Firewall 1210CE Threat Defense IPS 1Y Subs

Model: L-CSF1210CE-T-1Y

Manufacturer: CISCO

Product Code: 873533

R15,215

Threat Defense is a fully outsourced, managed security service. It rapidly detects and responds to security events by analyzing your network traffic, evaluating security telemetry and using global intelligence. Threat Defense takes ownership of the network security event lifecycle. It covers detection, confirmation, mitigation, and remediation. The Cisco service covers detection, confirmation, and mitigation, as well as provides remediation recommendations.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
