CISCO Secure Firewall 1220CX Threat Defense IPS 1Y Subs

Model: L-CSF1220CX-T-1Y

Manufacturer: CISCO

Product Code: 873543

R22,181

Threat Defense is a fully outsourced, managed security service. It rapidly detects and responds to security events by analyzing your network traffic, evaluating security telemetry and using global intelligence. Threat Defense takes ownership of the network security event lifecycle. It covers detection, confirmation, mitigation, and remediation. The Cisco service covers detection, confirmation, and mitigation, as well as provides remediation recommendations.
Product Description: Cisco Threat Defense Threat Protection - subscription licence (1 year) - 1 appliance | Product Type: Subscription licence - 1 year | Category: Online & appliance based services - advanced threat detection, appliance software, e-mail threat prevention service | Licence Qty: 1 appliance | Licensing Details: ESD
