A Touch of Genius

Design

Modern, distinctive, sleek

The sleek and chic ASUS Garaged Stylus SA204H has a smooth, rectangular finish that's easy to grip and won't roll off a table. Thin and ultralight, this ergonomic stylus allows anyone, young and old, to write and draw all day with ease.

Functional Buttons

A press of your thumb

For added convenience, two side buttons enable shortcuts for mouse click and erase functions, so things get done quickly.

Convenient Garaged Design

Push to unleash ideas

The natural feel of a stylus is a quick, precise way to express your thoughts and creativity, allowing you to take notes or sketch out ideas when they strike.

Two-way push-pop

ASUS Garaged Stylus SA204H features a new pop-out design. With a simple push of the pen, you can easily remove it from its garaged position, or store it again when you're done.

Fast charging

The stylus quickly and automatically charges when garaged — with a 15-second charge allowing you to let your creativity flow and write or draw continuously for up to 60 minutes¹.

Incredible Precision

Natural writing feel

ASUS Garaged Stylus SA204H is the perfect match for your compatible ASUS touchscreen devices, giving you the ability to write, draw or add markup in any supported app. Built-in Microsoft Pen Protocol (MPP) 2.0 technology offers ultra-low latency and fast response, allowing ASUS Garaged Stylus SA204H to produce the finest lines and broadest brush strokes. A 4096-level pressure sensitivity² enables you to create detailed notes or drawings that accurately capture your thoughts.

Tilted Support

Accuracy—at any angle

ASUS Garaged Stylus SA204H works at angles up to 55° while exceeding industry accuracy standards². This results in ultimate flexibility and smooth performance, so you can hold it however you like and keep full control.
