R640

The Natec colors series mouse pad is designed to enhance the gaming and work experience. Constructed from durable fabric with a rubber non-slip bottom, this mouse pad ensures stability during intense movements. The anti-fraying stitched edges extend its longevity, allowing it to withstand daily wear and tear. Its waterproof surface is easy to clean, providing peace of mind in any environment. Compatible with optical and laser mice, it serves various preferences, making it a versatile addition to any setup.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
