The Natec CRAKE 2 PRO is designed for gamers seeking precision and comfort in a vertical mouse. Featuring an ergonomic design, this mouse enhances user experience over extended gaming sessions while providing rapid response times with a 1000 Hz sampling rate. With a movement resolution of up to 12800 DPI, users can enjoy real-time sensitivity switching, making it suitable for various gaming styles.

Equipped with six programmable buttons and a macro function, the CRAKE 2 PRO allows for personalized controls to streamline gameplay. Complemented by 13 RGB lighting modes and silent switches, this mouse combines functionality with style, ensuring a captivating gaming atmosphere without disturbing others nearby. The Teflon glides contribute to smooth movement on different surfaces, supporting both casual gamers and professionals.
