R6,064

Discover the Logitech Zone Wireless 2, a headset designed to enhance your audio experience in any setting. With Hybrid Active Noise Canceling technology, it delivers an immersive sound experience, whether you're listening to music or on a call. Bluetooth 5.2 ensures a stable connection with a wide range of devices, while the USB-C Bluetooth adapter extends its compatibility even further. The omnidirectional condenser microphone, equipped with noise-canceling capabilities, ensures your voice is transmitted clearly, free from background distractions.

Crafted for comfort and sustainability, the Logitech Zone Wireless 2 features on-ear headphones made from 20% post-consumer recycled plastic and low carbon aluminum, offering both durability and a reduced environmental impact. The intuitive controls allow for easy management of audio settings, calls, and music playback, enhancing your productivity. With a long-lasting battery, quick recharge times, and versatile usage modes, this headset is the perfect companion for professionals
