Model: NPF-2195

Manufacturer: NATEC

EAN: 5901969444865

Product Code: 873734

R1,021

The Natec Chipmunk is designed to provide comfort and support during prolonged computer use. This 2-in-1 keyboard wrist rest and mouse pad with wrist pillow is ideal for individuals seeking to enhance their workspace ergonomics. Made from a combination of fabric, rubber, and foam, it promotes a comfortable experience while ensuring durability and ease of cleaning. The non-slip design makes it a suitable choice for maintaining stability, preventing any unwanted movement during intense work sessions. Whether working, gaming, or browsing, the Natec Chipmunk is an essential addition to make everyday tasks more enjoyable and efficient.
