INTEL ARC Pro B50 16GB Graphic Card

Model: 33P6PEB0BB

Manufacturer: INTEL

EAN: 5032037283045

Product Code: 873929

R17,466

The Intel Arc Pro B50 graphics card is designed for high-performance video processing and gaming. Equipped with powerful specifications, it features 4 x DisplayPort connections and supports a maximum resolution of 7680 x 4320 at 60 Hz, ensuring stunning visuals across multiple monitors. With 16 GB of GDDR6 SDRAM and a memory speed of 14 Gbps, this card delivers performance, making it ideal for demanding applications.

Featuring a clock speed of 1700 MHz and built using 5 nm process technology, the Intel Arc Pro B50 efficiently handles graphics processing while requiring only 70 watts of power. The card supports advanced APIs such as OpenCL 3.0 and Vulkan 1.4, as well as enhanced video features including Dolby Vision, H.264, H.265, and AV1 decode and encode support. This versatile card is perfect for users seeking to elevate their computing experience.
