Zyxel XGS2210-52 Managed L2 Gigabit Ethernet (10/100/1000) 1U Black

Model: XGS2210-52-EU0101F

Manufacturer: ZYXEL

EAN: 4718937587902

Product Code: 873996

R15,223

Agile traffic control for converged networking applications

ZyXEL XGS2210/GS2210 Series has a rich Layer 2 feature set that can shape the traffic for diverse VoIP, video conference, IPTV and IP surveillance deployments and provide hotels, businesses andeducational institutions greater agility and more effective traffic management for the converged applications of today.

ZyXEL One Network experience

Aiming for relieving our customers from repetitive operations of deploying and managing a network, ZyXEL One Network is designed to simplify the configuration, management, and troubleshooting,

allowing our customers to focus on the business priorities. ZyXEL One Network presents an easy-to-use tool, ZyXEL One Network Utility (ZON Utility), to realize speed network setup. ZyXEL Smart Connect allows ZyXEL networking equipment to be aware and recognize each other and further facilitating the network maintenance via one-click remote functions such as factory reset or power cycling. ZyXEL One Network redefines the network integration across multiple networking products from switch to Wi-Fi AP and to Gateway.

High-powered Power over Ethernet (PoE)

The ZyXEL XGS2210/GS2210 Series PoE switches support the IEEE 802.3af PoE and 802.3at PoE Plus standards, which provide up to 30 watts of power per port for advanced Powered Devices (PD) like 802.11ac wireless APs and video IP phones. The high power budget enables the XGS2210/GS2210 PoE switches to comfortably accommodate the PDs required in a modern network edge.
