Lightweight and durable, the Targus® Protect Case helps keep your Microsoft Surface® Pro 9, 10 and 11th Edition protected. With its hardened shell with shock-absorbing materials, it meets the rigorous MIL-STD-810G standards* that help protect your device from sudden drops and accidental slips.

With an integrated stand, it easily transitions to multiple viewing and typing positions. Its precision cut holes enable you to access all the ports and camera without taking off the case.

*As tested by an independent third party applying MIL-STD-810G, Method 516.6, Procedure IV.
