R1,460

BlitzWolf BW-AT5 (black) smartwatch.

The BlitzWolf BW-AT5 smartwatch is an excellent choice for people who lead active lifestyles and appreciate functionality combined with elegant design. Equipped with a bright AMOLED screen, it provides a clear picture and rich colors, while its security features and solid workmanship make it an ideal companion for both daily use and intense workouts. Monitor your health, use essential functions and enjoy a sleek design with the BlitzWolf smartwatch.

Multifunctional controls and a brilliant screen

The smartwatch has 5 built-in buttons that make it easy to use various functions, such as turning the watch on and off, setting the hands, activating sports modes, or using the built-in compass. With its real-time altitude and air pressure measurement function, the watch is perfect for hiking in the mountains or other outdoor activities. In addition, it has a 1.43" AMOLED screen with a resolution of 466 x 466, which impresses with its quality and natural colors.

Hassle-free communication and notifications

With Bluetooth calling and a built-in waterproof speaker, the BlitzWolf BW-AT5 allows you to make calls without having to take your phone out of your pocket in any conditions. The watch will also notify you of phone calls and SMS messages, so you won't miss any important information.

Health monitoring and sports modes

Take care of your health with the help of built-in heart rate, blood pressure and sleep quality monitoring functions. The smartwatch offers more than 100 sports modes, so you can easily match the device to your lifestyle and workout. It's the perfect companion both at the gym and during daily activities. More possibilities are offered by the dedicated Da Fit app, with which you will conveniently manage various functions.

Long-lasting performance and fast charging

The BlitzWolf BW-AT5 watch is equipped with a 400 mAh gel-polymer battery, which provides up to 30 days of operation in rest mode and up to 7 days with intensive use. Magnetic charging makes power replenishment fast and convenient - a full charge takes only 2 hours.

Water resistance and rugged design

The smartwatch has an IP67 water resistance rating, which makes it resistant to rain and splashes, so it will perform well in any situation. The zinc and plastic alloy case guarantees durability, while the liquid silicone strap ensures comfort even when worn for hours.

Compatibility and the latest technology

The BlitzWolf BW-AT5 smartwatch supports Android 6.0 (and above) and iOS 10.0 (and above) and uses Bluetooth 5.3, guaranteeing a stable connection and fast data transfer. Choose the BlitzWolf BW-AT5 and enjoy the full features offered by a modern smartwatch designed for active and demanding users.
