

HP ZBook Ultra G1a 14 AMD Ryzen AI Max+ PRO 395 14inch 128GB 4TB Radeon 8060S 40CU Graphics W11P 3YW

Model: A3ZJ6ET#ABB

Manufacturer: HP INC.

Product Code: 874356

R175,710

The HP ZBook Ultra G1a Mobile Workstation is a versatile solution designed for professionals who demand performance and reliability. With a 14-inch widescreen display boasting an image brightness of 400 cd/m², this mobile workstation delivers clear and vibrant visuals. The AMD Ryzen AI Max+ processor enhances productivity with 16 cores and a maximum turbo speed of 5.1 GHz, while the graphics powered by AMD Radeon 8060S ensures seamless multitasking and complex workloads. SSD storage using NVM Express technology allows swift data access, enabling users to work with large files effortlessly. Featuring various connectivity options, including USB-C and Thunderbolt 4 interfaces, this device promotes efficient data transfer and peripheral connections.

The inclusion of HP Fast Charge technology minimizes downtime, offering quick recharging
