HP Z2 Mini G1a AMD Ryzen AI Max PRO 390 64GB 1TB Radeon 8050S 32CU Graphics W11P 3YW

Model: A40QRET#ABB

Manufacturer: HP INC.

Product Code: 874364

R84,783

The HP Workstation Z2 G1a is designed for robust performance, ideal for professionals who require reliable computing solutions. This ultra small form factor workstation features a powerful AMD Ryzen AI Max Pro processor and is equipped with LPDDR5X SDRAM for swift operations. Its flexibility in expansion, with PCIe 4.0 x4 slots for internal storage and wireless modules, enhances its adaptability for various professional tasks.

Equipped with an SSD for faster data access, the Z2 G1a ensures seamless workflows for demanding applications. The integrated Realtek ALC3205-VA2-CG audio codec delivers high-definition audio output, while multiple connectivity options, including Thunderbolt 4 and USB-C, provide convenient access to peripherals. With embedded security features such as Trusted Platform Module (TPM 2.0), users can work securely and efficiently.
