

HP Z2 Mini G1a AMD Ryzen AI Max+ PRO 395 128GB 4TB Radeon 8060S 40CU Graphics W11P 3YW

Model: A40QTET#ABB

Manufacturer: HP INC.

Product Code: 874366

R154,260

The HP Workstation Z2 G1a is designed for those seeking powerful performance in a compact form factor. With a Ryzen AI Max+ Pro processor featuring 16 cores and a maximum turbo speed of 5.1 GHz, this workstation handles demanding tasks with ease. The installed 64 GB of LPDDR5X SDRAM ensures smooth multitasking while the 64 MB L3 cache memory optimizes performance for heavy workloads.

Its ultra small form factor makes it an ideal choice for any workspace, fitting seamlessly into tight environments. Equipped with a variety of connectivity options, including Thunderbolt 4 and USB-C, the device supports rapid data transfers and versatile display options. The HP Tamper Lock and Kensington security slot help keep sensitive information protected, making this workstation a reliable solution for business and creative professionals alike.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
