becomes clearer, giving you an edge during gameplay.

Noise-canceling microphone

The built-in noise-canceling microphone allows you to have clear conversations in almost any conditions. Now you can easily contact your team! This way everyone involved will hear what you have to say to them and together you will work out a plan for the next game.

Enjoy comfort

The headphones are equipped with soft, breathable memory foam earcups, so you can enjoy comfort even during prolonged gameplay. In addition, the adjustable headband provides a perfect fit for both children and adults. This makes the B2 model perfect for users of all ages!

Three connection options

The Onikuma B2 support three connection modes - via Bluetooth 5.3, in the 2.4 GHz band or wired. So you can comfortably use them in almost any situation! They are also distinguished by their wide compatibility. Depending on the chosen mode of connection, they work perfectly with PlayStation consoles, PCs, laptops, tablets and smartphones, among others.

Long operating time

The headphones are equipped with a powerful rechargeable battery, which allows them to run for up to 25 hours on a single charge. Don't worry that they will discharge at the most important moment of the game and knock you out of rhythm! With Onikuma you play as long as you want!
