HP Elite t755 Thin Client AMD Ryzen Embedded V2546 8GB 2x4GB 256GB IGEL OS 12 WiFi 6E 3YW

Model: 5H112EA#ABB

Manufacturer: HP INC.

EAN: 198415922878

Product Code: 874473

R25,731

The HP Elite t755 redefines efficiency and productivity in a compact package. Designed to meet the demands of modern workspaces, it combines a small form factor with the power of a 6-core AMD Ryzen Embedded processor, ensuring that space constraints do not compromise performance. With 8 MB of L3 cache and speeds up to 3.95 GHz, it effortlessly handles multitasking and demanding applications.

Connectivity is a breeze with its array of ports, including USB-C 3.2 Gen 2 and DisplayPort 1.2, making it easy to connect all your peripherals without the need for additional adapters. Security is paramount, and with the Trusted Platform Module (TPM 2.0), your data remains secure, providing
