The Lenovo ThinkPad T16 Gen 4 is designed for professionals seeking a reliable and versatile notebook. Its 16-inch WUXGA display with a 1920 x 1200 resolution offers sharp visuals and a 16:10 aspect ratio, making it ideal for multitasking and productivity. The durable construction features carbon fiber and polycarbonate materials, providing strength while meeting MIL-STD-810H standards for durability. Integrated with an 8-core Intel Core Ultra 5 processor and LPDDR5X SDRAM, this notebook is adaptable to various tasks, from everyday office work to demanding applications. Enjoy high audio quality with dual-array microphones featuring 360° far-field support and stereo speakers backed by Dolby Audio. The device also includes a 5-megapixel webcam equipped with a
