The Lenovo ThinkBook 16 G9 IPL is a powerful notebook designed for productivity and versatility. Featuring a 16-inch LED display with a resolution of 1920 x 1200, users can enjoy clear and vivid visuals, complemented by an anti-glare screen for a comfortable experience. With an 8-core Intel Core Ultra 5 processor, 16 GB DDR5 RAM, and a 512 GB SSD, this laptop ensures smooth multitasking and fast performance for both work and entertainment. The modern design includes backlit keys for easy typing in low-light conditions, while the spill-resistant keyboard enhances durability. The device supports robust connectivity options, including Thunderbolt 4, HDMI, and multiple USB ports, ensuring integration with other devices and accessories.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
