

Samsung 22X External USB 2.0 DVD-Writer optical disc drive Black

Model: SE-S224Q/EUBN

Manufacturer: SAMSUNG

Product Code: 9184

R706 R784

SpeedPlus power speed technology

- Powerful over-speed support
- Low noise and vibration control system for high speed
- Optimized algorithm for fastest speed

double OPC (Optimum Power Control) in DVD+R

Usually the outer side of the disc has lower writing quality because of vibration and swaying of the disc makes the servo signal worse. But Double OPC enables to check the writing quality, changes the laser power not only in the inner but also in the outer side before writing for the reliable performance.
