Kingston Technology ValueRAM 1GB, DDR2, non-ECC, PC2-6400, CL5 (5-5-5-15), 800MHz memory module 240-pin DIMM

Model: KVR800D2N5/1G

Manufacturer: KINGSTON

Product Code: 9280

R239 ~~R291~~

All Kingston® memory modules must perform properly to ensure maximum performance. Therefore, Kingston has developed an industry leading quality process to ensure that Kingston memory delivers superior quality, performance, and 100% compatibility with the computing system the module is designed for. Kingston, the world's largest independent memory manufacturer, has over 2, 000 memory products. In today's performance-driven environment, memory upgrades provide an easy, economical alternative to increase system performance. Every memory product Kingston offers is designed to help you get maximum performance at the best price to you.
