Model: ACTCP00092A

Manufacturer: ARCTIC

EAN: 4895265000898

Product Code: 93680

R720

Thermal Pastes/Pads

MX thermal pastes have been classics on the market for over a decade and are among the most popular and best-selling ARCTIC products. With extremely low thermal resistance due to a thin bond line, simple and safe application, long durability and a customer-friendly price-performance ratio, they are the ideal addition to any CPU and GPU cooler.
