

HPE Aruba IOn 1930 24G 4SFP+ 195W Sw

Model: JL683B

Manufacturer: HEWLETT PACKARD ENTERPRISE

EAN: 190017592862

Product Code: 936878

R8,692

The HPE Networking Instant On 1930 24G Class4 PoE 4SFP/SFP+ 195W Switch is designed to meet the demands of modern businesses, offering a powerful combination of performance, security, and manageability. This rack-mountable switch features 24 PoE ports and 4 SFP+ ports, providing high-speed connectivity and flexibility for a variety of networking devices. With a switching capacity of 128 Gbps and support for jumbo frames up to 9,216 bytes, it ensures efficient data traffic flow and minimal latency. Advanced security features, including Access Control List (ACL) support, RADIUS authentication, and SSL encryption, protect your network from unauthorized access. The switch is also manageable via multiple protocols, including HTTP, HTTPS, SNMP, and RMON, allowing for easy configuration and monitoring. Its compliance with a wide range of environmental and safety standards, along with an impressive MTBF of 76 years, ensures reliability and durability in challenging operational environments. Whether you're upgrading an existing network or building a new one, the HPE Networking Instant On 1930 switch is a reliable choice that offers both high performance and peace of mind.
