Forget the ordinary, embrace the Modern.

Its unique, thin and sleek design comes with a smooth finish with everything you need even before opening up the screen.

Steal the Show

Classic Black is styled in mysterious charm while Urban Silver mirrors the beauty of the future and technology. With the Modern series, you will have access to leading edge technology and design allowing you to be productive whenever, wherever, and however you want.

Advance Your Experience

The latest AMD Ryzen™ 7030 Series Processors are here. The Modern Series is equipped with up to AMD Ryzen™ 7 Processors delivers refreshing speed and lightweight portability on multitasking, multimedia editing and casual gaming. Enjoy lightning-fast responsiveness and efficient performance for all your passions at work and play.

Ultra Thin and Light

Weighing in at only 1.4kg and a height of 19.35 mm, the ultra-light and ultra-slim Modern 14 C7M is both portable and stylish - so you can take it with you wherever you go. Keep up with your fast-paced lifestyle with the Modern's extreme mobility.

Tap. Click. Swipe

The Modern 14 C7M with its enlarged touchpad, smooth and responsive fingertip control lets you maximize your productivity on the go.

The 180° lay-flat and Flip-n-Share function allows you to one click share your screen for a more effective workspace. The optimized 1.5mm key travel makes for a more ergonomic typing experience. Thanks to a friendly backlit keyboard, you can also work in dark environments.

Bring You Closer To The Sound

When you enjoy music with the Modern Series, you will experience sound the way it's meant to be heard. With the ability to support up to 24bit / 192kHz sampling, hear audio the way it was truly intended.

All the Ports You Need

The Modern 14 C7M provides all the ports you need: USB-A, USB-C, microSD, and HDMI™. You can
