

Seagate BlackArmor NAS 110 Desktop 1 TB HDD Black

Model: ST310005MND10G-RK

Manufacturer: SEAGATE

Product Code: 9432

R1,556 ~~R2,067~~

With centralised storage and automatic full-system backup for up to 10 PCs, BlackArmor NAS 110 is serious hardware. And with easy media streaming, remote access and an intuitive interface, it makes accessing and sharing your content extremely easy.

With a data capacity of up to 2 TB, BlackArmor NAS 110 lets you protect every PC in your home (or small business), keeping files secure with powerful hardware-based encryption. And features like automatic full-system backup and SafetyDrill+ bare metal recovery software provide critical protection for your important data.

In addition to included backup software, BlackArmor NAS 110 lets you manage data remotely using the web-based BlackArmor Discovery tool. With a single click, you can view or map shared volumes to your computer, access the web-based user interface or back up the PC you are working from.

Back up important data from USB drives and digital cameras quickly. Just plug in and press the OneTouch button. With two external USB ports, you can connect external drives, share a printer or
