R97,136

The CreatorPro X18 HX A14V represents our pinnacle achievement in crafting a highly powerful mobile workstation packed with state-of-the-art technology. Featuring the latest Intel CPU, MSI's AI-Engine functions, and ISV Certification, this workstation excels in hardware and software stability, meeting the rigorous demands of professionals. Specifically tailored for architects, programmers, designers, and a range of other professionals, it unleashes unmatched creative potential.

PERFECT IN EXECUTION

INTEL® CORE™ I9 PROCESSOR 14900HX

Introducing the powerhouse of gaming performance - the powerful Intel® Core™ i9 processor 14900HX designed to take your creative experience to the next level. With its high core count and blazing clock speeds, this CPU is engineered to provide the speed and responsiveness required for complex creative projects.

ACCELERATE INNOVATION ANYWHERE

NVIDIA RTX™ A500 and A1000 Laptop GPUs, based on the NVIDIA Ampere architecture combine powerful graphics, accelerated rendering, ray tracing, and AI capabilities that far exceed what CPU-integrated graphics-based laptops can provide. The addition of dedicated high-performance GPUs within laptops let professionals maximize their productivity with the latest graphics-intensive software, AI-accelerated tools, and multi-application workflows from anywhere.

NOW EVEN SMARTER

MSI Laptops now accelerate work and play even faster and more efficiently than ever before. They come standard with exclusive MSI Intelligent Technology that is capable of providing whole new Intelligent features, taking automatic tuning to a whole new level.

MSI AI Engine

MSI AI Engine is able to detect user scenarios and automatically adjust hardware settings to achieve the best performance. With simple AI tuned modes and resources, you can focus on the important

things like creating, work and entertainment. Thanks to AI Noise Cancellation Pro, you still can enjoy crystal clear sound even in a noisy environment.

MORE STORAGE. MORE MEMORY. MORE EXPANSION

The CreatorPro X18 HX A14V has 4 sets of expansion memory slots that accommodate 4x DDR5 memory, enabling expansion up to 192GB. Its spacious design allows for 2x M.2 SSD slots (1 PCIe Gen5, 1 PCIe Gen4) to provide high-speed and extensive storage capacity. All this powerful technology is seamlessly integrated into a body less than an inch thick, significantly enhancing mobility.

WORLD'S 1ST 18-INCH 4K MINI LED 120HZ DISPLAY

The CreatorPro X18 HX A14V has a 16:10 4K Mini LED screen that boasts 100% DCI-P3 (Typical) coverage and a 120Hz high refresh rate, ensuring smooth visuals. Enhanced with improved peak brightness, better contrast, a wider color gamut, and an expanded color range screen, it delivers richer images, catering to creators.

UNMATCHED PERFORMANCE, SUPERIOR COOLING

Leveraging an advanced Vapor Chamber cooler, combined with MSI's expertise in optimizing temperature and performance, the CreatorPro X18 HX A14V provides robust and stable computing perfect for exhaustive projects with extended rendering times.

BREAKING THE BOUNDARIES

The CreatorPro X18 HX A14V offers a 99.9Whr long-lasting battery and fast-charge technology that intelligently adapts to your work style, significantly enhancing productivity anytime and anywhere you need it.

DESKTOP-LEVEL IO PORT

The CreatorPro X18 HX A14V has a comprehensive array of I/O ports, providing desktop-level connectivity for versatile device compatibility and display output. This ensures gamers and creators enjoy maximum flexibility in utilizing the laptop.

WI-FI 7

The latest Wi-Fi 7 network speed packs more data into each transmission, making it significantly faster. Its potential maximum data rate of nearly 5.8 Gbps, which is 2.4x faster than the 2.4 Gbps

speeds with Wi-Fi 6/6E, making it easy to stream high-quality video, or downloading large files in less time than the best legacy Wi-Fi technology, accomplish your tasks at breathtaking speeds.

SURROUND SOUND SYSTEM

The CreatorPro X18 HX A14V comes with a 6 speakers surround sound system by world-class Dynaudio. Equipped with two pairs of dual force-canceling woofers and a pair of speakers to meet the highest acoustic expectations.

WEBCAM SHUTTER

The CreatorPro X18 HX A14V incorporates a Webcam Shutter, allowing users to effortlessly block the camera at any time, ensuring privacy and security.

MSI CENTER

For your multi-tasking, the MSI Center takes optimization to the next level with easily adjustable system modes and resources for a wide range of scenarios and needs.

MILITARY-GRADE DURABILITY

To pursue the best of the best, the product meets the MIL-STD-810H military standard for reliability and durability. MSI always strives for professionalism with world-leading technology.

MADE FOR PROFESSIONALS

Armed with its high-efficiency performance cores, the CreatorPro X18 HX A14V can easily handle fluid mechanics, satellite trajectory or any other fields that need precision computing. Experts in the field can work with a peace of mind knowing that their needs are being met and that any further complications can be resolved with ease.

ULTIMATE COMPATIBILITY

MSI workstations are ISV certified systems, officially recognized and certified by major ISVs in engineering, 3D modeling, designing and more. They're guaranteed to offer an absolute professional experience with no comparison in applications from Adobe, AutoDesk, Dassault and others.
