R867

The Lexar® JumpDrive® S60 USB Flash Drive provides stylish, high-capacity portable storage, allowing you to easily transfer, store, and share files on the go. The drive sports a protective sliding cover and is available in a variety of colorful options (in select regions) with a two-year limited warranty.

The drive has a simple plug-and-play design that allows you to quickly and easily store files, so wherever you go, your information goes with you.

The Jumpdrive S60 comes in a wide range of capacities, so it's easy to find one that suits your needs and reflects your style.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
