

KEYBOARD K120 RUS/920-002506 LOGITECH

Model: 920-002506

Manufacturer: LOGITECH

EAN: 5099206020894

Product Code: 949659

R859

- You'll enjoy a comfortable and quiet typing experience thanks to the low-profile keys that barely make a sound, and standard layout with full-size F-keys and number pad.
- With its thin profile that keeps your hands in a more neutral position, spill-resistant design, durable keys that can withstand up to 10 million keystrokes and sturdy, adjustable tilt legs, this sleek keyboard not only looks and feels good – it's built to last.
- Setup is simple – you just plug it into a USB port on your desktop, laptop or netbook computer and start using it right out of the box.
- The bold, bright white characters make the keys easier for everyone to read – and are perfect for those with less-than-perfect vision. They're less likely to wear off, too.
- You get the high quality and reliability that's made Logitech® the global leader for keyboards and mice at a price you can afford.

(1) Tested under limited conditions (maximum of 60 ml liquid spillage). Do not immerse the keyboard in liquid. (2) Based on independent sales data from major markets in units (July '19 - July
