EAN: 740617326376

Product Code: 949685

R830

With moving cap in multiple colours

Kingston DataTraveler® Exodia™ M features USB 3.2 Gen 1 performance for easy access to laptops, desktop PCs, monitors and other digital devices. DT Exodia M allows quick transfers and convenient storage of documents, music, videos and more. It's available in multiple stylish colour options that correspond to capacities of up to 256GB*. Its practical design makes it an ideal on-the-go storage solution whether at work, home or school. DT Exodia M is backed by a five-year warranty, free technical support and legendary Kingston® reliability.

Functional design

Moving cap design protects USB connector and your data when not in use.

Convenience at your fingertips

The lightweight USB 3.2 Gen 1 storage solution delivers quick file transfers.

Ultimate portability

Range of capacities with colourful cap and a loop that easily attaches to key rings.

- Moving cap design protects USB connector
- Multiple colour options by capacity
- Loop easily attaches to key rings

*Some of the listed capacity on a Flash storage device is used for formatting and other functions and thus is not available for data storage. As such, the actual available capacity for data storage is less than what is listed on the products. For more information, go to Kingston's Flash Memory Guide.

** Performance based on USB 3.2 Gen 1 standard. Speed may vary due to host and device configuration. Backwards compatible with USB 2.0.

Summary: Kingston Technology DataTraveler 128GB USB3.2 Gen1 Exodia M (Black + Red). Capacity: 128 GB, Device interface: USB Type-A, USB version: 3.2 Gen 1 (3.1 Gen 1). Form factor: Slide.
