R797

Semi-translucent Design

New Look of Style & Aesthetics

The unique semi-translucent design differentiates it from most charging cases. Oval-shaped appearance crafted with streamlined curves and soft matte finish brings unmatched hand feelings. Compact and lightweight built, it’s pocket-friendly.

Ergonomic Half In-ear Design

Built for Comfortable & Secure Fit

With research data over ear contours from thousands of users and hundreds of rounds of actual wearing tests and optimizations, the details have been improved repeatedly to make it ergonomic and fit the ear comfortably and snugly without easily falling out.

3.2g Super Light

All Day Wearing Comfort

Made of sturdy ABS and PC durable material coated with high-polish finish, each earphone weighs only 3.2g, about 40% lighter than average, to reduce fatigue caused by hours of wearing and extend your audio feast.

20 Hours

Small but powerful. A 1.5-hour full charge for the charging box provides up to 20 hours of non-stop listening time.

2 Hours

Only 10-minute charging for the charge case offers up to 2 hours of musical joy. Stay immersed longer.

5 Hours

Charge the earbuds fully with 1 hour to effortlessly last longer and support up to 5 hours of music playback.

*The actual battery life varies depending on music type, volume, connected devices, etc.

13mm Dynamic Driver

Superior Sound that Blows You Away

The large 13mm dynamic driver with the sensitive PU and PEEK composite diaphragm tunes out clear and balanced sound of richer details from powerful treble, soft midrange to deep bass. Get your ears immersed with every note of excellence.

Latest Bluetooth 5.3

Faster and More Stable to Connect

Upgrading from Bluetooth 5.0 to Bluetooth 5.3, it delivers faster and more stable connectivity and transmission, stronger anti interference, lower latency and lower power consumption to elevate your listening.

Flip Open and Connect
