M110 Silent Corded Mouse

Silent-Comfortable-Durable-Essential

ENJOY THE SOUND OF SILENCE

Get all your work done without missing a beat or disturbing those around you. Silent mice have the same click feel without the click noise—over 90% noise reduction. A smooth scroll wheel completes the silent experience. Silent mice eliminate excess noise while protecting the health and productivity of everyone. Make this your last annoying click. Your family and friends will thank you.

WORK WITH LESS DISTRACTIONS

Our innovative SilentTouch technology removes over 90% of disruptive sounds for you and those around you—all while keeping the same clicking feel. Plus, it has feet made of high-performance material and a rubber wheel for quiet gliding and scrolling.

SIMPLE TO SET UP AND USE

Your mouse works right out of the box. No installation hassles. No software required. Setup is fast and easy—just plug the cable into a USB port and you're good to go.

FULL-SIZE COMFORT, AMBIDEXTROUS DESIGN

Left-handed or right, you'll be comfortable hour after hour with this full-size, ambidextrous design. The curved surface was designed to support your fingers just right in order to prevent fatigue.

BUILT BY LOGITECH

This mouse comes with the high quality and reliability that have made Logitech the global leader for mice and keyboards —plus a three-year limited hardware warranty.

BETTER THAN A TRACKPAD

You're in control with smooth, responsive optical tracking that moves the cursor just where you want it. Edit documents and navigate the Web more efficiently than with a trackpad.
