The Fellowes Breyta XL Mousepad is designed to encourage greater movement and reduce small, repetitive motions that can lead to wrist discomfort. Compatible with both optical and laser mice, it not only protects your desktop but also enhances mouse performance. The mousepad features built-in antibacterial technology that works around the clock to provide hygienic protection by reducing the number of germs on the surface. Its non-slip base ensures it stays securely in place throughout the day, while reinforced stitched edges add durability and prevent fraying. Measuring H25 x W280 x L210mm, the Breyta XL mousepad offers ample space for smooth and unrestricted mouse movement. This mouse mat comes with a 5-year warranty and access to top quality customer support to help with any queries you may have.
