BOOX 7" Dedicated Writing Film

With a micro-textured surface, the 7" Dedicated Writing Film from BOOX replicates the resistance and friction of paper. It easily installs onto the screen of BOOX's separately available Go 7 and Go Color 7 (Gen II) ePaper tablets while maintaining touch sensitivity. The film also protects your tablet's screen with a scratch-resistant surface. An anti-glare and anti-fingerprint coating keeps your display clear and smudge free.
