Crafted to stand out

A brand-new design delivers the world's lightest fold yet. At just 201 grams, Galaxy Z Fold8 fits comfortably in your hands, and its all-new shape is compact enough to slip into a pocket — ideal for those who often end up out of office. It unfolds smoothly thanks to the Armor FlexHinge and a widened gap of the inner bezel. Encased in Armor Aluminum and fitted with Corning® Gorilla® Glass, this Fold is engineered to last.

Flex Titanium

A dual layer of titanium has been applied to the shock-absorbing layer underneath the display, strengthening the screen.

Match the ratio. Max the workflow

From watching industry experts to catching up on client newsletters, Galaxy Z Fold8 is ready for scrolling or streaming from the moment you start your day. Both the immersive 4:3 main screen and

10:16 cover screen offer a comfortable viewing experience, with optimised aspect ratios and 3000 nits of brightness on both screens. Perfectly optimised for portrait mode, everything feels better when you open the flattest fold we've ever made. Plus, anti-reflection on the main screen provides less glare for better clarity whether you're in the office, out in the field or on a business trip.

Power that empowers you. Customised for Galaxy

Galaxy Z Fold8 delivers powerful performance to support the way you explore and stay on task. Fueled by Snapdragon® 8 Elite Gen 5 for Galaxy, which brings together next-gen CPU, GPU and NPU, it handles anything from proofreading releases to seamless streaming without breaking your flow. The advanced NPU powers AI tools that help you shape ideas instantly when participating in a video conference, while the GPU keeps visuals smooth across everything.

Battery life for every plot twist

Stay in the zone throughout the workday with continuous playback that lasts up to 26 hours thanks to the 4800 mAh battery. Mighty power is built into a compact design so you can keep connected as you work late conferring with international clients.

Focus on the moment. Dual 50 MP does the rest

Ideal for any situations you may encounter in the field or at the office, the powerful 50 MP camera lets you document any part of your day just like a point and shoot camera, so every shot feels intentional. Later, let your masterpiece unfold on the large main screen. Edit or instantly watch with your coworkers, and see every detail the way it deserves to be seen.

Privacy by default. Protected by Knox

Store sensitive details with peace of mind. Our Personal Data Engine helps ensure secure processing of your data, which is then encrypted and saved on-device with Knox Vault and KEEP for extra-powerful protection. You also get to decide how Galaxy AI interacts with your personal data. Choose whether your information gets processed on-device or in the cloud. And our security doesn't just stop at your phone. Knox Matrix Trust Chain technology helps ensure protection for all your connected Galaxy devices, even allowing them to check on one another and isolate potential threats.

Now Nudge. Accelerate your work process

If your schedule is packed tight with commitments, you don't have the bandwidth to think about next moves. Now Nudge keeps things moving without pulling you out of the moment. Helpful prompts are

ready to take you to your next action, allowing you to work seamlessly from the cover screen to the main screen. Unfold and press the prompt to move to a split view that gives you the space to do more in one place. View Calendar, set customer follow-up reminders and pin branch office locations to maps, all without a single manual app switch.

Unlock your potential. Maintain your privacy

Samsung Account for Business helps you and your employees take full advantage of Galaxy AI without compromising your organisation's security policies. IT admins can easily control employee accounts, and onboarded members don't need to create a personal account for access. Account registration also helps your enterprise enroll and deploy devices seamlessly, with automated installation and streamlined management.
