Dell Pro 15 Essential (PV15255)

Dell Pro 15 Essential is a business laptop designed to deliver reliable performance, lightweight design, and essential security and manageability features. It provides everything small and medium-sized businesses and organizations need for daily work ? from office applications to hybrid work. AMD Ryzen? processors, fast LPDDR5 memory, and SSD storage ensure smooth productivity anywhere.

The Essential series is built to simplify IT. With Microsoft Autopilot and Dell Management Portal, device deployment is quick and easy, while MIL-STD-810H tested durability ensures reliability in demanding conditions. Responsible design is reflected in EPEAT Silver and ENERGY STAR® certifications as well as packaging made from recycled and renewable materials.

User experience is enhanced with a large 15.6? FHD display with 120 Hz refresh rate and numeric keyboard. Security features such as TPM 2.0 and a lock slot make it a trusted and durable companion for everyday business use.
