We offer premium renewed tech to help organizations and people make better choices for a more sustainable future. From the very beginning, our focus has been on product quality – because quality is the key to making pre-owned tech the new norm. Real change happens when renewed devices deliver a great user experience at a competitive price, with a reduced environmental impact.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Premium+ condition and renewed to deliver a like-new experience in both appearance and performance. It looks and feels like a brand-new device straight from the box, with a spotless, high-end finish. Every unit is carefully selected, fully tested, and professionally renewed to meet strict standards – so you can buy renewed with new-product confidence. Premium+ includes a 3-year warranty, giving you a more sustainable and stress-free choice.
