The GoFlex Desk external drive gives you plenty of storage capacity and it is easy to upgrade to any interface you choose. Simply pair the desktop hard drive with a GoFlex USB 3.0 or FireWire® 800/USB 2.0 adapter to increase your performance by up to tenfold. Works interchangeably between a PC or a Mac® computer.

Safe, secure, easy to use

With the GoFlex Desk, it is easy to back up, secure and access your content.

- Ensures automatic backup of all the files and folders on your computer;
- Secures your backed up files and protects your privacy with powerful encryption software;
- Includes the Seagate® Dashboard management tool for easy management of backup schedules, file encryption and viewing drive statistics;
- Includes the GoFlex Desk USB 2.0 desktop adapter with at-a-glance available capacity gauge;
- Offers vertical or horizontal orientation to fit in any desktop environment.

A highly upgradable desktop hard drive

The GoFlex Desk external drive lets you upgrade to faster transfer speeds and customise your experience to suit your digital life.

- Offers upgrade cables and kits that make it easy to move up from USB 2.0 to USB 3.0 or FireWire® 800 for up to 10x faster transfer speeds for your large files and HD films;
- Learn more about how you can customise your GoFlex Desk.

Works interchangeably on both PC and Mac® computers

Whether you have a PC or a Mac® — or if you go back and forth between the two — you can access and save files on the same portable hard drive at any time without reformatting.
