Light in WeightNatural in Hand

At just 595g and 5.79mm thin,⁴ it's easy to carry wherever you go. The unique golden double-R curved edges fit comfortably in your hand for a seamless feel.

Performance Without Limits.

Snapdragon 8 Gen 3 Mobile Platform.

HONOR Ice Cooling System.

Features an industry-leading 13-layer 3D thermal architecture with a total heat dissipation area of up to 38,773mm². Equipped with dual-flow vapor chamber (VC) technology and ultra-conductive hexagonal graphite, it improves thermal conductivity by 26%. Heat from the chipset is efficiently transferred, enabling sustained high performance.

Charge Less, Create More.

12,450mAh HONOR Silicon-Carbon Battery.

Powered by HONOR's industry-leading silicon-carbon battery with a massive 12,450mAh capacity, and combined with the Power Enhanced Chip HONOR E2 and AI Power Management System, it delivers all-day power—whether you're working, creating, or simply unwinding.

A Symphony of True Sound.

Surround Yourself in Sound.

Eight Speakers HONOR Spatial Audio delivers crisp highs and deep, full-bodied bass, enhanced by advanced low-frequency tuning. AI spatial audio brings vocals to life, adds richness to instruments, and expands the soundstage—surrounding you in a truly immersive listening experience.

Creativity with an AI Touch.

Inspiration at Your Fingertips.

Writing Tools, A Smarter Way to Create.

With AI readily available at anytime, you can effortlessly summarize text, refine your writing, rephrase content, and correct errors. It works across your favorite apps to help you post, comment,
