RISE TO A HIGHER CHALLENGE

Built for serious athletes and adventurers, this premium multisport GPS smartwatch thrives on turning effort into achievement. Styled for smaller wrists, it features enhanced stamina and endurance tracking plus smoother, more intuitive routable maps.

DESIGNED FOR PERFORMANCE

With a 1.4" AMOLED display that's more than twice as bright as fēnix 8, this ruggedly built, dive-rated watch features leakproof metal buttons and a scratch-resistant sapphire lens. It's tested to U.S. military standards for thermal, shock and water resistance.

ADVANCED TRAINING TOOLS

Access more than 100 activity profiles plus advanced training and performance tools. Enhanced stamina metrics show how your endurance is changing based on your fitness and training history.

FIND YOUR WAY

Multicontinent TopoActive maps are smoother and more intuitive, offering advanced navigational tools such as dynamic round-trip routing, NextFork™ map guide, grade-adjusted running pace and more.

ENGINEERED FOR MORE

A built-in speaker and microphone allow you to make and take calls from your wrist when your watch is paired to your smartphone. Record voice notes and use your smartphone's voice assistant to respond to text messages and more.

GARMIN EPIC

This feature lets you record, relive and share multiple days of activities with photos, as well as health and performance stats, in a cohesive story of events over time.

24/7 HEALTH AND WELLNESS

Features such as HRV status give insights into how your body may be recovering, while sleep coach suggests how to improve your sleep so you can perform at your best.
