As an E-sports player, your arsenal of devices must be power-packed and rigged up with superior technology. Equipped for competitive gaming, the Lenovo G24-20 takes gaming performance to the next level. A screen size of 23.8-inch, ideal for E-sports, with 3-side NearEdgeless display lets you engage in gaming distraction-free. Your skills and reflexes are backed by the superfast 144 Hz refresh rate, overclock to 165 Hz along with 0.5ms MPRT and AMD FreeSync™ Premium technology - to ensure no target misses due to latency or screen tearing and stuttering. Nothing escapes your eye on the battlefield with In-Plane Switching panel, 99% sRGB colour gamut, and 350 nits brightness that offer minute details and a vivid display performance. What's more, get more control over your G24-20 monitor with exclusive Lenovo Artery software that lets you tweak display settings to further your game. Delivering an enriching experience, the Lenovo G24-20 gaming monitor significantly reduces lags and slowdowns, enabling ultra-smooth gameplay in every frame.
