Lenovo Legion Y32p-30 computer monitor 80 cm (31.5") 3840 x 2160 pixels 4K Ultra HD Black

Model: 66F9UAC6EU

Manufacturer: LENOVO

EAN: 196800876515

Product Code: 96557

R14,229

Step into the cosmic command center with the Legion Y32p-30, a 31.5-inch marvel that transcends the boundaries of gaming reality. The In-Plane Switching (IPS) panel, at an astronomical 3840x2160 resolution, unveils a cosmic battlefield where every pixel is a star. A rapid 0.2ms response time and a 144Hz refresh rate propel you into warp speed, ensuring that your gaming odyssey defies the laws of physics. This is not just a monitor; it's a cosmic commander's helm.

Immerse yourself in the expansive 99% sRGB color gamut, where colors swirl like nebulae. Dual 5W speakers resonate with the cosmic symphony, making every victory a celestial celebration. Connect
