LG webOS platform enhances user convenience with intuitive GUI and simple app development tools.

Conformal Coating

In various places the UH5J-H series is unable to avoid exposure to environments containing dust, humidity, etc. which may hamper performance over time. The conformal coating on power board reduces these risks by protecting UH5J-H series from salt, dust, iron powder, humidity, etc.

Mobile Content Management

You can create a store profile and get template recommendations using the Promota* app. Users can customize templates for all industries and easily create and manage content not only on PCs but also on mobile devices.
